Our Products

CAUDALIÉ
PARIS

Our exclusive Caudalie treatments are designed to indulge your skin while providing visible results thanks to products renowned worldwide for their exceptional anti-oxidant properties. Transport yourself to the vineyards of Bordeaux in our exclusive Spa set in the heart of St Brelade's Bay. Indulge yourself with a choice of our unique face and body spa treatments, complimented by bespoke advice from one of our Vinotherapists, who can help you select the treatment best suited to your needs.

intraceuticals
it's in the skin

Intraceuticals is a unique line of spa treatments and complementary skin care products based on innovative and progressive technology. Intraceuticals Clinic Treatments, the brand's signature innovation, use oxygen under pressure and cutting-edge hyaluronic acid technology to promote the delivery of specially formulated serums to the skin. These specialised treatments and accompanying home care products target the most common skin concerns with visible, clinical results and dramatic accumulative effects.

THALGO
LA BEAUTE MARINE

Founded in the South of France in 1964, Thalgo is the original French marine spa and skincare brand, inspired by the restorative power of the sea. Drawing on thalassotherapy and marine science, Thalgo combines advanced research with ocean-sourced actives such as micronised algae, sea minerals and marine extracts to deliver visible, spa-grade results. Each formulation works in harmony with the skin to nourish, revitalise and restore natural radiance.

DERMALUX

You'll experience the calming power of light as it revitalizes your complexion. This soothing treatment targets collagen production, reduces redness, and promotes overall skin health. Our gentle approach ensures a comfortable experience suitable for all skin types.

CND
SHELLAC™

SHELLAC™ is the original gel polish system created by CND, the nail industry's most innovative and trusted brand. This professional gel polish combines the best qualities of traditional nail polish with the long-lasting effects of gel nails. The process involves application of polish to the natural nail, with each layer being cured under a UV or LED lamp. The curing process hardens the polish and makes it more durable, providing a longer-lasting and chip-resistant finish.
